

Sometimes the smallest things
can make the largest impact.

Introducing **FlexaCam™** - designed with locksmiths in mind.

Exclusively through the **STOCK LOCKS®** program.

Crafting quality products in America since 1903.

Simply use one of the three spacers enclosed with any CompX National threaded disc tumbler cam lock. **FlexaCam™** offers three thicknesses which provide up to 12 different dimensional variations, resulting in shorter install time and overall customer satisfaction.
